HELP US BUILD

Our New,

HABITAT HOME!

Habitat for Humanity® of Ionia County

JERMYN STREET, IONIA, MI

Dear Community Partner,

Is your organization looking for a meaningful way to give back this year?

Habitat for Humanity of Ionia County is seeking community and corporate sponsors for our upcoming home build on **Jermyn Street** in Ionia, scheduled to begin in **Fall 2026**.

At Habitat for Humanity, we believe in providing a **"hand up, not a handout."** Through affordable homeownership opportunities, we partner with hardworking families who demonstrate:

- A genuine need for safe, affordable housing
- The ability to make mortgage payments
- Completion of homeowner education courses
- Commitment to required sweat equity hours

Your sponsorship will **directly support** the construction of a new Habitat home and help create lasting change for a local family.

We look forward to discussing how your company can make a positive impact in our community.

Sincerely,

Stacy A. Moore

Stacy A. Moore, Executive Director

WHY YOUR SUPPORT MATTERS

A safe, stable, and affordable home creates opportunities for families to thrive. Research consistently shows that stable housing leads to:

- Improved educational outcomes for children
- Better physical and mental health
- Stronger employment opportunities
- Greater financial stability and self-sufficiency

By partnering with Habitat for Humanity of Ionia County, your organization becomes part of a community effort that transforms lives for generations.

SPONSORING OPPORTUNITIES AVAILABLE

We invite you to review the enclosed sponsorship information and consider joining us as a partner in this important project. Every contribution, large or small, helps move us closer to opening the door to a brighter future for a deserving local family.
